KEY DIFFERENTIATORS

UNMATCHED EXPERIENCE:

- Wander Staffing's team is trusted and respected in the community as leaders and healthcare providers. Our corporate culture is steeped in the values and ethics that stem from our leadership team's over 30 years of healthcare, Army, Navy, and VA service.

TECHNICALLY SUPERIOR:

- We have the rare and unique credentials of having worked and led as military, SOCOM, GS, and contract clinicians. This allows us to be a direct and personal resource for our clients, provide our staff a seamless integration into the DOD, VA, and IHS, and rapidly and effectively mitigate any issues that may arise.

FASTER LEAD TIMES:

- We maintain close and personal relationships with providers and leaders in the IT, Healthcare and Training sectors. These superior relationships can be leveraged immediately to provide curated and maximally qualified personnel, decrease staff turnover, and deliver a rapid return to a 100% fill rate when needed.

SECURITY:

- Our Top Secret SCI clearance reduce threats to your organization, and our particular knowledge of military needs and goals makes Wander Staffing the best choice to fulfill our clients' needs.
